Profile **S4-Experts.de** → PDFs with CV, references, project overview, certificates etc.
A serious appearance starts with a professional profile. If you are doing any change (like copying into your template), then please provide it to us for a quality assurance. The usage of the profile in the context of a project bidding process and its quotation must be explicitly agreed. The profile usage is restricted to the decision-making process for a specific vacancy.

References Confidentiality agreements and DSGVO are taken seriously. A professional conversation as quality demonstration can be offered. Evidences of education/professional development can be provided.

Job Interview A telephone conversation can be done free of charge, otherwise expenses must be paid. It is also possible to arrange a probationary period for long-term projects.
